Headline:
Sunshine and the odd shower. East coast much warmer.

Today:
It will be a bright and mainly dry day with some sunny spells. Cloud thickening from late morning perhaps bringing the odd shower to northern areas. A warm day, notably warmer for the east coast than yesterday. Maximum temperature 22 deg C (72 deg F).

Tonight:
Staying mostly dry with variable cloud and some clear intervals the best of these in the north. A mild night. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Rather cloudy, with a few showers possible, but much of the time it will be dry and bright. A few sunny intervals breaking though allowing it to become warm. Maximum temperature 23 deg C (73 deg F).

Outlook for Thursday to Saturday:
A dry spell of weather with some good sunny spells. It will be warm or very warm.
